Throw on Your Wranglers, Your Tie, or BOTH!!!

This annual event celebrates the contributions of the agribusiness industry to the community and is held in conjunction with the world's largest, purebred livestock exposition -- Louisville's own North American International Livestock Expo. Highlighting the event is the Agribusiness of the Year Award Ceremony, recognizing one area company for superior contributions. In addition, the annual Harold Workman Award will also be presented.

Wing Tip Rodeo

The annual Wing Tip Rodeo is the Farm City Luncheon's tongue-in-cheek competition matching a team of five city slickers (the City Team) against a troupe of seasoned farm hands (the Farm Team). Team members earn points by successfully lassoing a paper mache steer from the luncheon stage. The winning team gets bragging rights for the year as well as possession of the traveling horse collar trophy.

If you've always wanted to be a cowboy – or have a colleague who would just love being put to the test – this is your chance! Nominate a team member by purchasing an eight-seat nominating table for \$400. (Order details on back.)
